Novelty: no

Scope of delivery:  
1 ST SDS plus adapter on 1/2" external  
square. For rotary drills/drivers |

## PRODUCT DESCRIPTION

The SDS plus Adapter is highly robust and is specially designed to withstand the high power of rotary hammers. Its S2 Modified Steel and optimised heat-treatment process provide the adapter with extra endurance for high performance, making it extremely sturdy for long-lasting work. This makes the product ideal for heavy-duty screw-driving applications such as plant installations or heavy industrial work. .
