PRODUCT DESCRIPTION

Small Items Box L-BOXX Mini 2.0, The L-BOXX Mini is a smaller version of the L-BOXX in line with the Bosch Mobility System. Flexible dividers provide universal storage of small items. Additionally, food- and dishwasher-safe materials allow for additional use as a lunchbox. The click mechanism allows several boxes to be securely stacked with a top handle for easy transportation and the same comfortable handling of the original L-BOXX. It fits in the L-BOXX 102 and it fills exactly half the space of the i-BOXX 72. The practical L-BOXX Mini stores not only small work items, but also provides clean and convenient transport for food and is dishwasher safe.
