1 ST Starlock profile sander AUZ 70 G. For oscillating multitools |

PRODUCT DESCRIPTION

The Starlock AUZ 70 G profile sander provides comfortable sanding of round material surfaces. Its plate features a hook-and-loop-type fastening system and velour for easy sheet changes. The product design creates a flexible and adaptable sheet surface for sanding variously shaped material surfaces easily. It comfortably allows for effortless sanding of round or uneven surfaces up to a wide diameter of 55 mm. The plate is intended for sanding rounded or curved wood, paint or varnish and fibre-reinforced composite surfaces. The profile sander comes with 4 sheets (70 mm x 125 mm) of hook-and-loop-backed sanding paper. The mounting system produces the highest power transfer thanks to a 3-dimensional tight-fitting connection between machine and accessory.
