PRODUCT DESCRIPTION

The Starlock Best of Sanding Set, 6-Pieces enables sanding wood and removing mortar. The set contains blades for coarse and fast sanding with extra-long life. It is ideal for sanding thick layers of paint and weathered wood, as well as routing and sanding of wood, gypsum, plastic composites and epoxy. The Starlock Snap-In mounting system allows fast blade removal and exchange within 3 seconds without having to touch the blade. The mounting system produces the highest power transfer thanks to a 3-dimensional tight-fitting connection between machine and accessory.
