5 ST Starlock Set for Renovation. For
oscillating multitools |

PRODUCT DESCRIPTION

The 8-piece Set is a versatile kit for renovation work. Each Starlock blade in this Set is individually selected for its particular performance, to prepare for all kinds of typical renovation work including wood cut-outs, tiling work, sanding jobs in corners, scraping of residues. It includes 1 plunge cut blade, 1 sanding plate, 3 sanding sheets, 2 segment blades and 1 scraper blade. Finally, the set features great value, as you pay for 4, but get 5 Starlock Products. The Starlock Snap-In mounting system allows fast blade removal and exchange within 3 seconds without having to touch the blade. The mounting system produces the highest power transfer thanks to a 3-dimensional tight-fitting connection between machine and accessory.
