PRODUCT DESCRIPTION

System Accessories FSN 1100, The FSN 1100 Professional guiderail with a length of 1,100 mm delivers a unique technology that enables exact cuts. Offering precise guidance, it is constructed with high-quality workmanship and is perfectly compatible with all related power tools. For perfect stability, the FSN VEL optional extension connector can be attached for a quick and strong connection between two guiderails. Complete control during operation is made possible by its easily replaceable, non-slip rubber stripes and splinter protection, resulting in a clean cutting edge. This guiderail is intended for use with plunge and circular saws for perfect cutting results. It is compatible with all Bosch Professional GKS G-model circular saws, all GKT Professional plunge saws, as well as selected GST Professional jigsaws and GOF Professional routers with an adapter. The FSN 1100 Professional guiderail also includes a spare plastic T cap.
