PRODUCT DESCRIPTION

System Accessories FSN RA 32 800, The FSN RA 32 800 Professional 800-mm guiderail enables accurate hole layouts when building furniture. It offers extensive functionality in addition to its standard feature set due to its 32-mm hole spacing layout. Delivering precise guidance, the guiderail is constructed with high-quality workmanship and is perfectly compatible with all related power tools. Complete control during operation is made possible by its easily replaceable, non-slip rubber stripes and splinter protection, resulting in a clean cutting edge. This guiderail is intended for guided cuts and routing in 32-mm hole system applications. It is compatible with all Bosch Professional GKS G-model circular saws, all GKT Professional plunge saws, as well as selected GST Professional jigsaws and GOF Professional routers with an adapter. The FSN RA 32 800 Professional 800-mm guiderail has 32-mm spaced raster holes and a plastic cap for fixing tools in place.
