PRODUCT DESCRIPTION

Tool Bag GWT 2, The Bosch Professional GWT 2 tool pouch offers optimum storage space for essential tools and small items. Its smart design and compartments enable easy accessibility plus individual organisation of tools. An integrated pouch stand provides the ability to place the pouch upright for easy handling. Full concentration on the job since tools and accessories are tidied and always at hand. The durable pouch is puncture-resistant thanks to its double-stitching and reinforced design in 1000D polyester. The Bosch Professional ProClick system enables an easy way to connect, change, and adjust ProClick belt pouches without taking the belt off.
