## PRODUCT DESCRIPTION

Tool Bag GWT 20, The Bosch Professional GWT 20 tool bag offers easy storage and convenient transport of all necessary tools and is compatible with the Bosch Mobility System. Versatile compartments and pockets allow quick access and individual organisation of tools with additional integrated tapes for attaching the ProClick Holder and pouches. The impact-resistant moulded base makes the GWT 20 tool bag exceptionally robust and durable. Integrated locking cleats offer the possibility to connect and interlock the tool bag with the L-BOXX, ensuring safe transport. This tool bag is the easy and convenient way to transport all essential tools to the jobsite. It consists of durable 1000D polyester, an ergonomic grip handle, and a padded shoulder strap for long lifetime and maximum comfort. Its compatible with the L-BOXX and Bosch Professional ProClick system, which enables an easy way to connect, change, and adjust ProClick belt pouches without taking the belt off.
