PRODUCT DESCRIPTION

Tool Bag ProClick Holder, The Bosch Professional ProClick Holder provides a safe connection between ProClick tool belt pouches to any standard-sized belt (up to 50 mm). Offering a new form of flexibility, the holder is easily removable through a release button. In addition, the ProClick Holder provides versatile combination options, because any tool belt pouch can be attached. The Bosch Professional ProClick Holder is the smart one-click connection for quick and easy change of applications. It is made of light and highly durable PA6 GF30 material, a Polyamide 6 with 30% glass fibre. The Bosch Professional ProClick system enables an easy way to connect, change, and adjust ProClick belt pouches without taking the belt off.
