PRODUCT DESCRIPTION

The X-LOCK 125-mm Set for Cutting and Sanding contains the essential accessories needed for successfully finishing cutting and sanding applications on the jobsite. It comes with three X-LOCK Standard for Inox Cutting Discs that are specially designed for reliable results in Inox. A tough and heat-resistant X-LOCK X571 Best for Metal Flap Disc is also included, featuring an excellent lifetime for extensive metalwork such as grinding welding seams and coarse sanding metal surfaces. The X-LOCK Carbide Multiwheel transforms standard angle grinders into universal cutting tools, enabling safe and perfectly easy cuts in a wide range of soft materials such as wood, wood with nails or plastics. Changing accessories is fast and convenient thanks to the keyless X-LOCK system.
