1 ST X-LOCK Backing Pad 125 mm hard. For small angle grinders |

PRODUCT DESCRIPTION

The X-LOCK Backing Pad Hard is ideal for rough grit sanding (P50 and rougher). It features an extra-rigid multi-groove construction that maximises contact pressure between disc and workpiece, enabling heavy-duty, highly aggressive sanding applications. For convenient work, the pad´s angled surface provides an ergonomic grinding position. Manufactured from fibreglass reinforced thermostable plastic, it resists even highest temperatures and breakage. Changing backing pads is fast and convenient thanks to the keyless X-LOCK system.
