PRODUCT DESCRIPTION

The X-LOCK Expert for Inox and Metal Cutting Disc delivers powerful cutting performance in Inox and metal with maximum safety. The disc is made of premium aluminium oxide with functional fillers and additives to reduce heat generated while cutting. This produces good quality surface results and assures a long disc-performance lifetime. In addition, the disc is free of ferrous, sulphurous and chlorinated fillers. Maximum work safety is ensured by its precision-manufactured fibreglass net. Changing cutting discs is fast and convenient thanks to the keyless X-LOCK system.
