Scope of delivery:

25 ST X-LOCK Expert for Metal 125x2.5x22.23

Straight Cutting. For small angle grinders |

## PRODUCT DESCRIPTION

The X-LOCK Expert for Metal Cutting Disc provides powerful cutting performance in metal with maximum safety. The disc is made of premium aluminium oxide with advanced phenol resin, which copes with demanding applications while delivering good results. Moreover, the disc's precision-manufactured fibreglass net ensures high stability and safety when cutting. Bosch cutting discs comply with the maximum safety requirements, such as EN 12413, FEPA and oSa. Changing cutting discs is fast and convenient thanks to the keyless X-LOCK system.
