[Datasheet](#)

Scope of delivery:  
10,00 ST Sweat band f. safety helm. w. DOM  
from 02/21 polyurethane |

### PRODUCT DESCRIPTION

This 380 mm long synthetic leather sweat band (PU) has the best hygiene characteristics thanks to its extreme absorbency. Sweat bands are used to absorb sweat and, at the same time, allow for the safety helmet to firmly and comfortably fit on the head thanks to good adhesion. We recommend changing the sweat band every two weeks for hygienic purposes.
