WEICON ANTI-SEIZE ASSEMBLY PASTE 400 ML ANTHRACITE

SKU: 4024596000912

Anti-seize assembly paste 400 ml anthracite

Categories: [Chemical-technical products](#),
[Greases](#)

Product Features: Contents: 400 ml

Container: Spray can

Colour: Anthracite

Brand: WEICON

[safety instructions](#)

Scope of delivery:

12,00 ST Anti-seize assembly paste 400 ml
anthracite |

PRODUCT DESCRIPTION

Protective and separating lubricant for highly stressed parts

- Optimally matched solid fractions and selected additives enable a wide range of applications
- Protects against corrosion, seizing and wear, stick-slip phenomena, oxidation and fretting corrosion and electrolytic reactions ("cold welding")
- Has an unusually good separating effect
- For use as an assembly aid for screw connections, as a protector, separator and lubricator for highly strained components, particularly at high temperatures. The extremely low friction coefficient enables machines and systems to be easily disassembled. Further technical information:
- Thermal resistance: -180 to +1200 °C
- Type: ASA 400

PRODUCT DATASHEET LEGAL NOTE

Please note that the information on this datasheet is provided without warranty and is intended only as non-binding information about the product. Any liability for damages or losses that may arise from the use of this information is excluded. We therefore recommend that you verify the information on this datasheet with other sources before making any decisions based on this information.
