safety instructions

Scope of delivery:
12,00 ST Welding protection spray 400 ml |

PRODUCT DESCRIPTION

Used to clean and keep clean the welding nozzles
- At the same time, it protects the workpiece to be welded against the effect of spatter, without impairing the weld
- Prevents the adhering of weld spatter on gas nozzles and workpiece surfaces
- Offers continuous protection during welding and removes the need to clean the workpieces with a spatula, brush or chisel afterwards
- After-treatment of the workpieces, such as: Black-finishing, galvanising, anodising or painting is possible without special cleaning
- Silicone-free Further technical information:
- Colour: Colourless
